End - ed up on a cross - road,  
Re - la - tion - ship on a ski slope,

tried to fig - ure out which way to go. —  
av - a - lanche com - ing down. slow. —

It's like you're stuck on a tread - mill,  
Do we have e - nough time to

run - ning in the same place. —  
sal - vage this love? —

You've got your haz - ard lights on now,  
Feels like a bliz - zard in A - pril,
