## Noche de Paz

Noche de paz  
Noche de amor  
Todo duerme alrededor  
Todo el mundo celebra con fe  
A ese niño nacido en Belén  
Con canciones de corazón  
Hoy ha nacido el amor

Noche de paz  
Noche de amor  
Todo duerme alrededor  
En lo alto del cielo verás  
Una estrella esparciendo su luz,  
Sobre el niño Jesus  
Hoy ha nacido el amor

Noche de paz  
Noche de amor  
Todo duerme alrededor  
Ni los ángeles quieren cantar  
Para no despertar al Señor  
Todo es paz en la oscuridad  
Hoy ha nacido el amor

Noche de paz  
Noche de amor  
Todo el mundo celebra con fe  
A ese niño nacido en Belén  
con sus padres María y José  
Con canciones del corazón  
Hoy ha vencido el amor.
